

glee camp

July 19, 20, 21

*At Glee Camp you will rehearse and record. You will record an audio CD of a song in the recording studio, and you will shoot a music video of a song. You will also receive the files to post on You Tube and Facebook.

*Classes will include singing, dancing, stage presence, audio and video recording.

* You will meet other kids who share your same passion for music and performing.

*Spend the day rehearsing on the stage, recording songs in the recording studio, and preparing for your video shoot.

*If you are already experienced and need a promotional packet to market to the talent agents, your tuition for the camp includes an audio CD recorded in the studio of one of your songs, and also a video performance of a song.

Classes on the first day will start with a brief meet and greet for students and parents to meet the teachers and receive a copy of the curriculum. Then the students will be separated into studios where they will form their own identity for their own "Glee" Club. Each club will select their song list, and develop their own personal dance routine. Rehearsals will be on the stage, as well as, in the private studios.

Camp Counselors will be with you every day, and guest speakers will do presentations. Professionals will speak to you about how to audition for jobs in the industry. Professional singing coach Christina Smith will be joining us for Glee Camp 2011. She works with students throughout southern Minnesota, including Minnesota State University, Mankato and Gustavus. Her background includes performances in several Highland Summer Theatre productions at MSU. We are very excited to have as a part of our staff.

On Thursday night, the final evening, each Glee club will perform and compete to win the "Glee Idol" competition. When the show director shouts, lights, camera, action, the cameras will start rolling and the show will begin.

PRICING FOR THE CAMP: The cost for the 3 day camp is \$75 which includes an audio recording of each performer and a Video DVD.
